

On Friday November 7th

The Contract was voted down. It was one of the largest ballot counts in recent history. Local 483 voted 111 No and 76 yes. The overall count was 1700 No and 1086 Yes the company has now heard your voice. And I for one would like to thank everyone that voted.

As of the 7th we lost our protection and are now working without the Contract. Please be mindful in your day to day work.

There will be more info to come from the JSC.

Now it's time to go back to the table.

To quote Woody Guthrie

Some men rob you with a six-gun; others rob you with a fountain pen.

Please stay tuned
